The Monmouth Cancer Coalition is made possible by a grant from the New Jersey Department of Health and Senior Services' Office of Cancer Control and Prevention with the Visiting Nurse Association of Central Jersey as grant recipient. The mission of the Monmouth Cancer Coalition is to increase awareness, education and access to cancer screening and care through developing and sustaining collaborative relationships within the community for the purpose of reducing cancer morbidity and mortality in Monmouth County. For more information on comprehensive cancer control in NJ, please visit: www.njcancer.gov.

Working Together to Reduce the Burden of Cancer
